Administration News.

According to the LRU council committee meeting 6th on September 19, 2014, the Income Budget has been approved in 2014 for 228,539,150 Bath. In addition, the decreasing of first year students will be in 10% and 5% for second and third year students. Conversely, the first year students will enroll 2,600 people of them. Thus, the income of the university in 2014 will be about 240 million baht.

For this reason, there are 4 majority groups to spend in 80% of overall income based on the university regulation in 2007 as following;

The first group will be on the center expense of university

The second group will be on the faculties' expense

The third group will be on the university development expense

The fourth group will be on the development of faculties for 50% , 25% each for institutions and the enhancement of university improvement.

The LRU president gave the 2015 Income budget policy. The LRU administrators have to audit all the projects in the budget year 2015 to make them to be covered the tasks and goals, and connected the missions of the university, OPDC, OHEC, ONESQA and Internal Quality Assurance.

I would like the vice presidents who responsible for the university policy please check and approve the projects carefully. I would like

the university budget is used up to the policy that the president has given.
