

Volume 34, No.1124 Monday 1st September 2014

News from Administrative Vice President

Hello everybody. There are many items to inform all of you in this volume. Firstly, the dean and the university assessments in the academic year 2014 were held on 13th - 14th August, 2014. I was the assessment committee and also the secretary. The assessment was occurred by checking the data and interviewing the stakeholders. The results found that the LRU president was given the higher score of all elements than last year. And the LRU deans were given the various score.

Secondly, there was another assessment held on 28th -29th August, 2014. It was the assessment of Internal Quality Assurance in Education along the criteria of Office of the Higher Education Commission (OHEC), and Office for National Education Standards and Quality Assessment (ONESQA). LRU had an order to the administrators to monitor all staff and stakeholders in order to get ready to answer the assessment questions. The assessment results were better than last year: more than 4.50 scores. I would like to thank you everybody.

Thirdly, I would like to ask you for informing your students to concern the traffic rules and disposal: park their cars and motorcycles in the offered areas, and leave the garbage in the right place also.

For a teacher who has no a residence can send your request when a residence is available. The teachers have prepared teaching, students 'ability analysis, and classroom research. These are one of Quality Assurance and send to the faculty for following in the meeting of each month.

The supporting personnel has to work very well, especially the personnel who clean the building and work until finishing studying because some teachers have a class at 9 pm.

The students and parents will believe in LRU. The teachers need to have qualifications and experiences. There is good working management. The executive has to follow working, solve a problem quickly.
